

Pravin DyeChem Private Limited

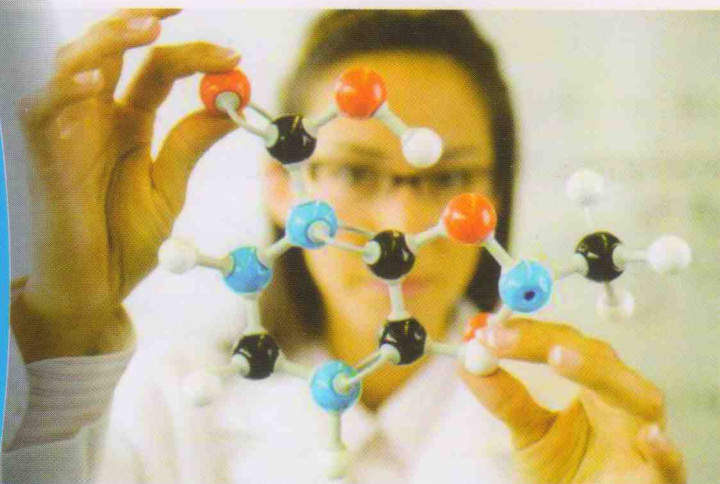

About Ourselves

We are pleased to introduce ourselves as a team of experts in international trade, manufacturing and supply chain of various Chemicals, Dyes, Dye Intermediates, Pigments, Pharmaceuticals raw materials, and allied products in India and in the International Market.

Having developed an impeccable reputation and good-will owing to over 40 years of international market participation, we have achieved the status of preferred supplier to numerous reputed manufacturers and exporters in India and abroad.

Our expertise in all stages of chemicals, pigments, pharmaceuticals and dyes value chain; coupled with our vast business network and market reputation allows us to meet various customer requirements while maintaining high quality standards, reliability and competitive pricing structure.

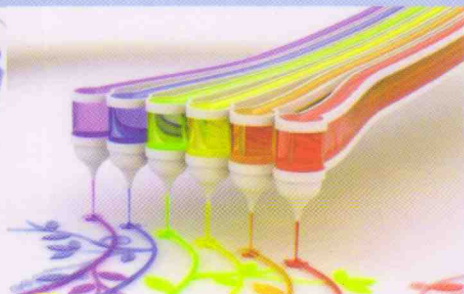

Our Products

Chemicals and Intermediates

Aceto Acetic Methyl Ester
Aceto Acetic Ethyl Ester
Beta Naphthol
Alpha Naphthol
Diphenyl Amine
N,N,Dimethyl Aniline
N,N, Diethyl Aniline
Ortho Toluidine
Cynuric Chloride
Para Toludine
Refined / Crude Naphalene

Ethyl Cynoacetate
Methyl Cynoacetate
Ortho/Para Anisidine
Resorcinol
Sulphanilic Acid
Sodium Naphthionate 74%
Aceto Acetanilide (Series)
Para / Orho Cresol
DiAmino Stilbene Disulphonic Acid
Mono N Buylamine
Salicilic Acid

Mono Ethylamine 70%
Di Ethanolamines
Metanilic Acid
Meta Toluidine Diamine
Aniline Oil
Tobias Acid
N. W. Acid 65%
Meta-Phenylene Diamine
Meta Nitro Aniline
Di N Buylamine
Schaeffer's Acid

Our Products

Solvents

Acetone
Methanol
Ethanol
N-Butanol
Iso-Propyl Alcohol
Phenol
Methyl Meta Acrylate

Toluene
Venyl Acetate Monomer
O/P-Dichlorobenzene
Mono-Chloro Benzene
Methylene Dichloride
Dimethyl Formamide
Methyl Acrylate

Methyl Ethyl Ketone
Trichloro Ethylene
Xylenes
Benzene
Acetic Acid
Butyl Acrylate Monomer
Epichlorohydrine
